

Golden Gate College DBA

California University School of Psychology

Our Goals:

- ✧ Master of psychology and communication
- ✧ Ignite your creativity
- ✧ Enhance personal growth
- ✧ Contribute to the community

Our Values:

- ✧ An inclusive, diverse, and cross-cultural learning environment
- ✧ High-quality faculty team and curriculum design
- ✧ Advanced degrees to pursue the essence of communication and Psychology
- ✧ Flexibility in instruction: degree programs could be completed 100% through distance education
- ✧ Located in Silicon Valley
- ✧ People-first education philosophy and customized learning experience

Programs of Study

We are offering the following programs of study:

- ✧ Master of Science in Applied Psychology (MSAP)
- ✧ Master of Arts in Communication and Media (MACM)

Master's Degree Programs

We envision our MACM and MSAP degree programs will help our students gain better understanding of people and communication, expand their careers in various professional fields (such as communication, media, marketing and human capital, etc.), constantly improve themselves and better serve the community.

Program	Total Credits	Course hours	Lab/HW Hours*	Degree	Instruction Method
Applied Psychology	48	480	960	M.S.	Onsite or distance learning Taught in Chinese or English
Communication and Media	48	480	960	M.A.	

- Lab/HW: After each lecture house, students have 2 or more hours lab or homework assignments.

- ✧ **Customized Study Plan:** The program could be accelerated into 12 months or extended over several years per students' choice.
- ✧ **Flexible Instruction:** Besides onsite instructions, the program could be completed through **full distance education** by ZOOM and Canvas.
- ✧ **Contemporary Curriculum:** Focus on solving practical problems that diverse organizations are facing in today's global connected world.
- ✧ **Job Preparation:** Students will receive comprehensive preparation for diverse business organizations, ranging from start-ups to Fortune 500 companies.
